3	<p>2.2.1.1 Eligibility of applicants</p> <p>Due to management and financial capacity needs, one applicant will be selected as Lead Beneficiary in max 3 projects and in total in 6 projects, in the context of Interreg V-A Romania-Hungary Programme.</p>	<p>The restriction applies only for an Applicant submitting a project proposal in its own name, and not, if it is the case, for subordinated institutions. E.g. County Councils could apply for county hospitals, Municipalities could apply for schools, etc. as they are responsible for their administration. Also, the restriction does not apply for universities applying for the subordinated faculties, under the condition that each faculty has its own Project Implementation Unit.</p>	<p>The restriction applies only for an Applicant submitting a project proposal in its own name, and not, if it is the case, for subordinated institutions.
