The Concept Note application can only be submitted until 15.01.2018, 16:00 hours Bucharest time (EET).	The period for the preparation of the Concept Note includes legal holidays and therefore, based on the feedback received from potential applicants, the extension of the submission deadline would probably have a positive impact on the quality of the applications submitted. Also, the mandatory supporting documents issued by public institutions are difficult to be obtained during the end / start of the year.
