**RESPONSIBILITIES OF THE BENEFICIARIES REGARDING INFORMATION AND
COMMUNICATION ACTIVITIES**

- FOR ALL PARTNERS -

To the attention of all **project beneficiaries!**

During the months of implementation of your great project proposals, there are many things to pay attention to.

Consequently, **we would like to highlight** that, according to the provisions of the [Visual Identity Manual](#) of the Interreg V-A Romania-Hungary Programme, **within six months after the approval of the project**, each project beneficiary has to place **at least one poster with information about the project** (minimum size A3), including the financial support from the EU, at a location visible to the public, such as the entrance area of a building. The poster needs to stay visible for the whole duration of the project. As communicated in the [Project Implementation Manual](#) (chapter 3. Project implementation and monitoring, subchapter 3.4) the poster template, as well as other communication materials, **has to be submitted for ex-ante approval** of to the JS (RO beneficiaries) or the relevant IP colleagues (HU beneficiaries). Further details on the implementation of the information and communication activities can be found in the above-mentioned PIM and the Visual Identity Manual as well.
