

EC Day 2019 Photo Contest: **MY FAVORITE LANDSCAPE**

Show your piece of Europe!

The European Union may seem to be an overwhelmingly grand institution, but ultimately consists of and relies on individuals – on us, citizens, living our lives in Europe: our home. We know every bit of the route we are taking to work on a daily basis, the café where they prepare soul-warming coffee, the near meadow or park perfect for a getaway picnic. We know the hidden gems and treasures, that fill us with energy and memories, and here is your chance for showing us these places – your favourite piece of Europe/the RO-HU border area!

Rules of the contest:

Hereby we are launching a photo contest to celebrate European Cooperation Day 2019, an event reminding us of shared history of belonging on our continent.

The contest will be conducted here on Facebook, and you have to follow the below steps in order to enter the competition:

1. *Take a picture of your favourite landscape in the eligible area!*

Grab your camera/phone, and snap a photo of your favourite landscape, but please be careful not to include any recognizable persons on the pictures (faces or other blurred identification elements may be accepted). Photos that violate or infringe upon another person's rights, including but not limited to copyright and the EU's GDPR regulation, are not eligible.

2. *Send us the photo and the venue's name and location on Messenger!*

By sending us the picture and the belonging description, you automatically become a contestant.* Your photo will be uploaded in an album on our Facebook page [SN1] together with the rest of the pictures, where people will be able to vote for it.

3. *Win the prize!*

The best pictures will be selected by the public – one person is only allowed to cast one vote by liking one of the pictures in the dedicated album. The authors of the **first 15 pictures** with the most likes will receive a beautiful picnic basket, thus contributing to some more quality time on your favourite place – or who knows, to exploring one of the other submitted locations!

Contest timeline:

- Send us your picture until 23:59 EET 15. September 2019
- Public voting: 12:00 EET 16. September 2019 – 23:59 EET 22. September 2019
- Announcement of the winners: 23. September 2019

About EC Day

An initiative by the Interact Programme, European Cooperation Day (also known as “EC Day”) celebrate the importance of cooperation on 21 September every year, through the Programmes and projects funded by the EU. Various events are designed in September-October to bring people together in a joint celebration and reminding them of the strength stemming from common efforts and actions.
