3 rd Restricted Call for Proposals - Full Application Form	
Investment priority	8/b - Supporting employment-friendly growth through the development of endogenous potential as part of a territorial strategy for specific areas, including the conversion of declining industrial regions and enhancement of accessibility to, and development of, specific natural and cultural resources.
Project Title	Joint Employment-Driven Initiative
Project no.	ROHU-452
Partnership	<p>LP: Szeged Center of Vocational Training</p> <p>PP2: DKMT Danube-Kris-Mures-Tisa Euroregional Development Agency - Nonprofit Public Benefit Limited</p> <p>PP3: Roman Catholic Diocese of Szeged-Csanád</p> <p>PP4: Homokhát Eurointegration Regional Development Agency</p> <p>PP5: Timis County</p> <p>PP6: Timis Chamber of Commerce, Industry and Agriculture</p>
Total ERDF budget	€ 5,551,875.30 for FAF
Objective	The project aims to enhance employment of the Romanian-Hungarian CB region by creating favorable conditions for a balanced labor market on the long term.
Contribution to indicators	Number of participants in joint local employment initiatives and joint training (persons): 2,685
Summary	The PPs wish to address the following challenges in the eligible area:

- lack of professional, technical and practical skills and experiences of the jobseekers.
- lack of skilled employees
- employment problems (low activity rate, long-term unemployment, high unemployment rate in remote rural areas and a lack of a skilled workforce in several sectors such as construction, catering and food processing industries)
- the institutions offering vocational and adult trainings cannot attract enough students

The project's main activities are:

- creating state of the art conditions for vocational trainings by developing 5 sites for such trainings
- mapping, networking and joint development of the labor market of the target area
- joint institutional cooperation in the field of employment and training
- communication and dissemination

Main expected results of the project are the following:

- improved conditions for vocational trainings
- joint cross-border labor market
- network of relevant institutions
- enhanced cross-border mobility of the workforce.
