Ministry of Public Works Development and Administration - The MA for Interreg V-A RO-HU Programme	49598/2017
7	Hajdúböszörmény Város Önkormányzata / Local Government of Hajduboszormeny City	15728331-2-09	large	HU32/HU321	8411	Improve employment in Bihor County, Oradea and Hajduboszormeny through the development of the local potential infrastructures	ROHU421	01.05.2020 - 31.08.2022	PP3	8/b	2,646,591.52	546,421.29	grant	16.06.2020	Through this project, the cooling capacity of the slaughterhouse should be increased by 50 square meters therefore production capacity of the plant is approximately 100-120 pieces pork per days. Greater capacity is needed to provide the right amount for the meat processing, grocery store and for the nearly 3,500 children's meals. In order to reach higher capacity, the frames for receiving animals should also be expanded.	Ministry of Public Works Development and Administration - The MA for Interreg V-A RO-HU Programme	49598/2017
8	Szegedi Szakképzési Centrum / Szeged Center of Vocational Training	15832142-2-06	SME	HU33/HU333	8532	Joint Employment-Driven Initiative	ROHU452	01.02.2020 - 31.10.2022	LB	8/b	2,778,157.51	575,450.00	grant	29.04.2020	The subject of the project is equipping different facilities for vocational education operated by the Szeged Center of Vocational Training. SZSZC is the leading organization of the vocational trainings in Csongrád county and in the whole region, therefore, through the envisaged activities its ability to better meet the needs of the labour market will be significantly improved. Within the JEDI project, the Szeged Center of Vocational Training intends to improve the quality of the following training courses: dressmaker, welder, electrician, central heating mechanic, industrial mechanic, locksmith, mechatronician, water and sewage treatment technician, electrotechnical technician, carpenter, bricklayer, chemical technician, rubber producer and processor, CNC operator, milling machine operator, automation technician, mechatronics technician, technical informatician, CAD-CAM informatician and automotive electronics technician.	Ministry of Public Works Development and Administration - The MA for Interreg V-A RO-HU Programme	49598/2017
9	Szeged-Csanádi Egyházmegye / Roman Catholic Diocese of Szeged-Csanád	19983068-2-06	SME	HU33/HU333	8559	Joint Employment-Driven Initiative	ROHU452	01.02.2020 - 31.10.2022	PP3	8/b	4,490,191.95	930,070.00	grant	29.04.2020	With the infrastructural development of vocational training, the objective of the investor is to provide the students of the school – future cooks and confectioners – with the basic knowledge of catering trade and offer them competitive skills and competencies before they enter the labour market	Ministry of Public Works Development and Administration - The MA for Interreg V-A RO-HU Programme	49598/2017
10	Homokhát Eurointegráció Kistérség- és Gazdaságfejlesztési Szolgáltató Nonprofit Közhasznú Kft. /	18460007-2-06	SME	HU33/HU333	6311	Joint Employment-Driven Initiative	ROHU452	01.02.2020 - 31.10.2022	PP4	8/b	7,770,990.78	1,609,633.95	grant	29.04.2020	With the construction of the building a new vocational training site will be established that, at the same time, will offer catering services. As a result of the investment, not only the quality of the vocational training will be improved but new jobs will be created as well as the connecting services/service providers (supply chain) will strengthen. The main concept behind the development is as follows: the new building is much more than a catering facility – its main function is to provide the best available conditions for the vocational training of waiter/waitress students; it will be optimal not only for practical but also for theoretical training courses in the same building (on the attic floor); and the building will play an important role in community development, too, as it will be ideal for organizing events.	Ministry of Public Works Development and Administration - The MA for Interreg V-A RO-HU Programme	49598/2017
11	UAT Municipiul Marghita / Marghita Municipality	4348947	large	RO11/RO111	8411	Promoting an integrated approach regarding the improving of the employment rate and business environment at the level of Marghita and Beretyoujfalu microregions	ROHU359	01.05.2020 - 31.07.2022	LB	8/b	7,329,975.10	1,513,363.29	grant	16.06.2020	The implementation of investments in the development of a regional level cross-border infrastructure in the field of training and promoting of local agriculture and agri-food products is one of the most important stages of the project, because it contributes, for the most part, to the attaining of the estimated results and impact. In this respect, Marghita Local Authority (LP) will implement the necessary investments works in order to setup the Agriculture and Agri-food Entrepreneurship and Training Centre.	Ministry of Public Works Development and Administration - The MA for Interreg V-A RO-HU Programme	49598/2017

12	Berettyóújfalú Város Önkormányzata / Municipality of Berettyóújfalú	15728324-2-09	large	HU32/HU321	8411	Promoting an integrated approach regarding the improving of the employment rate and business environment at the level of Marghita and Berettyóújfalú microregions	ROHU359	01.05.2020 - 31.07.2022	PP2	8/b	3,412,686.61	700,454.96	grant	16.06.2020 05.10.2020	In the frame of the work package, Berettyóújfalú Local Authority will implement the necessary investments works in order to setup the Berettyó - Bihar Agricultural Training Centre.	Ministry of Public Works Development and Administration - The MA for Interreg V- A RO-HU Programme	49598/2017
