	Project Partner: PP2: Jimbolia Secondary School (Romania)
TOTAL Budget	€ 210,350.00, out of which, ERDF € 178,797.50
Summary	<p>Through the ROHU-281 project, the partners aim to create spaces attached to schools, where the traditions of the cross-border area can be studied, both by children and adults, and in where joint events can be organized.</p> <p>The main activities of the project are:</p> <ul style="list-style-type: none"> • creation of 2 community spaces with stages for performances and concerts; • organization of arts-and-crafts and folk-art courses for 3000 children and parents; • organization of 6 joint events, presenting common traditions. <p>The Programme Output Indicator is „11/b1 Number of institutions</p>

	<p><i>directly involved in cross-border cooperation initiatives".</i> Project ROHU – 281 contributes to this indicator by reaching a number of 2 institutions directly involved in the joint activities.</p> <p>The collaboration of the partners within this project offers them the possibility to organize common cultural programs, to know each other's particularities, traditions and values, thus contributing to the strengthening of the local economy.</p>
Main results	<p>As a result of the project implementation, the following are obtained: a better access of the population to the community places by transforming the unused buildings into functional places for public events; improved cooperation between communities, through the development of arts and crafts; the possibility for the two schools to learn from the exchange of experience and to adopt good practices in their own institutions.</p> <p>The main results of the project are:</p> <ul style="list-style-type: none"> • 2 institutions directly involved in cross-border cooperation initiatives • 3000 children involved in craft and folk - art courses • 1 new community space in Békéscsaba • 1 new community space in Jimbolia • 1 new sound system for concerts, multi-lingual conferences and other shows in Jimbolia.
