

3 <sup>rd</sup> Open Call for Proposals	
Project code	ROHU-361
Project title	StopGerms
,	Joint prevention and surveillance of infectious diseases and hospital-
	acquired infections in Arad, Makó and Hódmezővásárhely
Priority axis	4 – Improving health-care services (Cooperating on health-care and
	prevention)
Investment	9/a - Investment in heath and social infrastructure which contributes to
priority	national, regional and local development, reducing inequalities in terms
	of health status, promoting social inclusion through improved access to
	social, cultural and recreational services and the transition from
	institutional to community-based services.
Implementation	
period	50 months (1 <sup>st</sup> of November 2019 – 31 of December 2023)
•	The project's main objective is to improve the health and safety of the
Objective	people from Arad and Csongrád-Csanád counties by modernizing three
Objective	hospitals while providing a strategy for improving hygiene and the
	prevention of hospital infections.
	<b>Lead Beneficiary</b> : Arad County Council (Romania)
