Investment priority	6/c - Conserving, protecting, promoting and developing natural and cultural heritage
Implementation period	55 months (June 01, 2019 – December 31, 2023)
Partnership	**LB: Csokonai Theatre (Debrecen, Hungary)** PP2: Municipality of Debrecen (Hungary) PP3: Szigligeti Theatre (Oradea, Romania)
Project budget	**Total 12,841,586.99 EUR, out of which ERDF 10,834,325.06 EUR** LB: 496,610.97 EUR ERDF, 58,418.98 EUR national co-financing PP2: 9,030,223.88 EUR ERDF, 1,062,273.05 EUR national co-financing PP3: 1,307,490.21 EUR ERDF, 199,937.41 EUR national co-financing
Objective	The CBC Incubator project aims to establish a joint common space in the Romanian-Hungarian border area that connects cultural institutions, artists and cultural professionals, primarily in the field of theatre art.
Contribution to indicators	No. of visits to supported sites of cultural and natural heritage and attractions: 18,462
Summary	**Justification – common challenges:** • Lack to provide appropriate infrastructural and professional background for protecting, developing and sharing common values of performing arts • limited level of interconnection between theatres operating in the border area. **Project main activities:** • Increasing by 18,462 of the number of expected visits by creating a Romanian-Hungarian Cross-border Cultural Incubator for Performing Arts in Debrecen, modernized theatre technology of Szigligeti Theatre, delivery of joint cross-border cultural activities coordinated by the Csokonai Theatre in Debrecen.

Main outputs	**Investments** • Municipality of Debrecen (**PP2**): establishing the new **Romanian-Hungarian Cross-border Cultural Incubator for Performing Arts**, by demolition/reconstruction and building works, according to its function of multifunctional cultural institution and the endowment with stage technology systems (revolving stage and overhead stage machinery, modern effect lighting and audio system), elevators, utility systems, interior fixed furniture etc. The core function of the building (4796.22 sqm at 8 levels) will be ensured by the main stage including an auditorium for 350 audiences, thus creating a special arena-like space, making the hall ideal for staging musical plays. The value of the investment: **5 million euros**. • **Szigligeti Theatre (PP3)** aim at the infrastructural development of the **stage space and stage technology of the Oradea State Theatre**, which provides a venue for Szigligeti Theatre company. The complex development ensures greater flexibility for cultural performances and comprises the reconstruction of stage infrastructure including renovation of stage basement and floor as well as the electrical and plumbing installation, assembly of machinery, technological and functional systems including revolving stage, battens for stage lighting, stage lighting, curtain control and audio-visual stage management systems. Total value of the investment: **1.02 million euros.** The three partners cooperate to **create a sustainable RO-HU cultural network**, focused particularly on the theatre cultures, by **supporting amateur theatres** trough organising 14 workshops, a series of **16 exchange of performances** with the participation of different theatres from the Romanian-Hungarian border area, establishing a **theatre archive and creating an interactive exhibition of theatre cultures**, organizing **7 actors** and **15 translation workshops**. Total value: **0.48 million euros.**
Concept Note	Project code: **ROHU-343** Implementation period: August 01, 2018 – January 31, 2019 Total budget 46,180.00 EUR, out of which ERDF 39,253.00 EUR. Preparation activities for developing the Full Application Form.
